Tires and Their Troubles

Did you ever hear the story of the little levee that could be plugged up with a pebble but was let go until it became a raging torrent, washing everything before it? Well, tires are the same way. You get a small cut in them. This lets in water and dirt, the dirt works into the tire and loosens the fabric, and then, BANG!—a costly repair or a new tire. You can eliminate all this by having that tire repaired right NOW. Look your tires over, and if there is any repairing to be done send them in and then you will be all set for the first summer day, which is just around the corner.

Mr. and Mrs. Robert Webster, accompanied by the latter's sister, Mrs. Francis Thomson, left Barre on Saturday to meet their son, James Webster, who arrived in Montreal on Monday, the 7th, after nearly two years' service in France with the 79th battery of Canadian artillery.

The Barre Board of Trade will hold its annual meeting Tuesday evening, April 15, in the granite manufacturers' rooms, C. W. Averill block, to transact the following business: To hear the reports of officers and committees, election of officers for the ensuing year and to do any other proper business. H. A. Phelps, clerk.

Members of the Red Cross in this vicinity wishing to take advantage of the opportunity to get tickets for grandstand seats in Boston at the time of the parade of the 26th division, as announced on page 8 of Monday's Times, should communicate with Mrs. N. D. Phelps, president of the Barre branch, before Friday night of this week.

Private James Thomson of Barre, who was one of those returning on the transport America last Saturday, has the distinction of having served in two armies during two years and four months and he is still but 18 years of age. Private Thomson served six months in the Canadian army and then joined the American forces, being assigned to the 103d regiment in the 26th division. He has been with the American army for a year and ten months and has been twice wounded. He received a slight wound last July and was seriously wounded on the last drive of the American army, the date of receiving the injury being Oct. 27. Private Thomson will be remembered as a former bellboy at Hotel Barre, as well as at the Pavilion hotel in Montpelier.

That one of the most skilled aviators in the American forces and who was the first flier to be cited was a former Barre boy has come to notice through the act of his mother in sending a copy of the Lawton (Okla.) Constitution, which tells of Capt. Arthur J. Coyle's exploits. Besides being cited for bravery, Capt. Coyle was also decorated by the French and the American governments. Capt. Coyle was with the American army at Chateau Thierry, on the Marne, at St. Mihiel and in the Argonne sector. It was while engaged in the last-named sector that he was wounded in a battle with four German pursuit planes; but he managed to return to the American lines and had the satisfaction of seeing one of the enemy planes shooting down to destruction. He returned to the United States in January, 1919, and has since been stationed at Post Field, near Lawton. The official recognition of Capt. Coyle is contained in the following: "Arthur J. Coyle, Captain, A. S. C. O., 1st aero squadron: A remarkable pilot thoroughly familiar with all branches of observation aviation. Has shown devotion to duty beyond all praise and his work has been such as to make him one of the most remarkable pilots in any army. Has shown the finest qualities of courage and displayed extraordinary heroism on many occasions. Decorated with the D. S. C." Capt. Coyle's home is in Concord, N. H. He went away from Barre many years ago.

The decision reached by the principals of Spaulding, Montpelier and Burlington high schools in regard to the teams to meet first in the contest for the league basketball cup, is that Burlington and Montpelier shall play a game during the latter part of this week, Spaulding then to meet the winner of this game the early part of next week. It was practically decided that the first game will be played at St. Albans, while it was undecided about the championship game, as that will rest upon the winner of the initial game. Should Burlington win, the game probably will be held at the Fort Ethan Allen gymnasium; should Montpelier win, the two teams will come to an agreement, if possible, to play on a neutral floor. Since school was suspended the Spaulding team has not been practicing but will start to-morrow and continue to train every day until the final match. Anyone who is fortunate enough to witness these games will see some excellent playing, as all three teams are evenly matched and it will be the breaks of the game that will decide the winner.

Members of the Red Cross in this vicinity wishing to take advantage of the opportunity to get tickets for grandstand seats in Boston at the time of the parade of the 26th division, as announced on page 8 of Monday's Times, should communicate with Mrs. N.
